Families have a choice of paying tuition either upfront in full in January or broken out into five monthly installments, payable the first of the month January-May. **The monthly installment = \$82.70**. Classes that are 1.5-2 hours in length are **\$420 (+ \$25 admin fee = \$445)**, or five monthly installments of **\$89**. **NOTE: ENROLLMENT IS ONGOING. THERE IS NEVER A PENALTY FOR ENROLLING MID-SESSION.**

POLICIES AND PROCEDURES:

Refund Policy

In the event that you or your child wishes to withdraw, you may withdraw and be refunded the remaining tuition.

Returned Check Policy

We know once in a while it may happen. If your check comes back insufficient funds, we tack on a \$25 fee to your account. We don't like to play bad guy, but our bank charges us and we're on a shoestring budget.

Late Fees

If account is in arrears over one month, we charge a \$15 late fee to the account for each month tuition is overdue.

Class Cancellation Policy

If Urbanity Dance cancels one of their session enrolls we will either add a make-up class at the end of the series or work directly with the class to either start earlier or end later for the remaining class sessions.

Make-up Policy

If a student misses a class, the student is allowed one make-up class in a future session. Session-enroll adult students are allowed one make-up in any open fitness/dance class that they choose.

Studio Etiquette

Upon entering studio door, please remove your shoes and walk along the back of the classroom to the dressing room area. We understand that classes may overlap, so we appreciate your stealthy skills and whispering compassion for the other students trying to get their rumba-on.

Health & Safety Policies

The safety of our students is our #1 priority. If a student has a medical concern, please be honest on your registration form. All medical information is kept confidential with Urbanity Staff and Faculty. It is important that the teacher is aware of any significant medical history that will help us better serve you, and act responsibly in the event of an emergency.

Inclement Weather Procedures

In the event of inclement weather or other emergency, students under 18 will be supervised by Urbanity professionals until it is safe to pick up children. The safety of our students is our #1 concern, and faculty are trained in how best to respond to emergencies.

I have read all of the above policies (including medical liability and policies and procedures). I agree to all above terms and conditions.
